SPRING BULLETIN 1939

AS USUAL, our Gladiolus bulbs are guaranteed clean, healthy and true to name; anything proving otherwise will be replaced. However, the results you will obtain are so entirely up to you that we cannot hold ourselves responsible for same. Carrying charges prepaid on all orders amounting to $1.00 or over. Please send cash with order. Orders accepted subject to stock unsold.

On orders for Gladiolus bulbs, we are offering the following discounts, in bulbs of your own choice:

5% on orders up to $5.00
10% on orders $5.00 to $15.00
15% on orders over $15.00

Let us give you a quotation on larger orders; also on smaller sizes in quantities not offered in the list. Special quotations net.

THRIPS

Thrips can be controlled in the garden by spraying with any of the good sprays on the market, or by dusting. We had complete control, last year, by dusting with a mixture of equal parts hydrated lime and arsenate of lead, with the addition of a small quantity of dry Paris green.

We keep a little naphthalene among the bulbs at all times, while in storage.

Hardy Chrysanthemums

If you have not tried any of the newer types of garden Mums, we would like to say that you have a treat in store waiting for you. The new ones bring new types, new colors and increased hardiness to your gardens. No flower can take the place of Chrysanthemums in the fall when they supply great armfuls of fragrant, long-lasting blooms. The length of blooming season has also been increased, so that you may have flowers from early September till frost. May we suggest that you plant some this year.

List of Varieties

Astrid. A new hybrid of the garden chrysanthemum with chrysanthemum Arcticum. The flowers are single of pale pink color. The plant is of medium height, spreading as much as three feet, with glossy, deep green foliage.
